

REMARKS

Entry of the foregoing amendments and favorable consideration of the subject application is respectfully requested in view of the following comments.

Claims 1-11 are pending on the subject application. Claims 1, 6, 7 and 11 have been amended and new claims 12-14 have been added. Accordingly, claims 1-14 are herewith presented for consideration.

The claims have been amended to eliminate multiple dependencies, thereby eliminating the multiple dependent claim fee and to correct an improper format, thereby presenting the claims in proper format for examination.

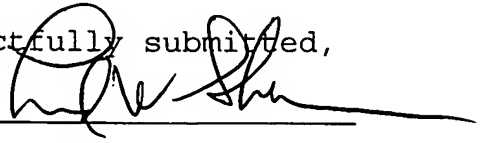

Upon review of the specification and claims prior to filing, it was noted that claim 1 was in an improper format presenting the recitation in a plurality of sentences. Accordingly, claim 1 has been amended to place in correct format.

Claims 6, 7 and 11, have been amended so as to convert them from multiple dependent form to single dependent form with new claims 12-14 corresponding to the eliminated multiple dependencies of claims 6, 7, and 11 respectively.

Applicants respectfully submit that no new matter has been added by the foregoing amendments and that the application is in condition for allowance.

An early notice of allowance is respectfully requested.

Respectfully submitted,
